## **DETAILED ACTION**

### ***Examiner's Statement of Reason for Allowance***

Claims 1,3,5-9,10-16, and 18-23 are allowable over the prior art of records.

The following is an Examiner's statement of reasons for the indication of allowable subject matter: Claims 1, 9, and 16 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior arts.

The primary reason for allowance for claim 1, 9, and 16 is the inclusion of generating a list of conditions for suspect errors and if, during the re-executing step, the conditions for one of the suspected errors are satisfied, then generating a second error report indicating that said one of the suspected errors is a true error in conjunction with the rest of the limitation set forth in the claim.

The remaining claims, not specifically mentioned, are allowed because they are dependent upon one of the claim mentioned above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
